

## Canadian Council on Ecological Areas (CCEA)

### *2024 Stan Rowe Home Place Graduate Award*

The Canadian Council on Ecological Areas (CCEA) is pleased to announce that it is now accepting applications for the **2024 Stan Rowe Home Place Graduate Award**.

**APPLICATION DEADLINE: MONDAY, DECEMBER 2, 2024**

#### *The Award is:*

One cash award of **\$2,000**

Available to **Master students** in their **first year of study only**

Given to projects having an emphasis on an ecosystem or landscape-based approach to selecting, establishing or managing protected ecological areas in Canada

#### *In addition to the cash award, CCEA may:*

Invite the student to present their work at the CCEA Annual General Meeting

Promote or feature their work in the CCEA newsletter; and/or

Publish their work as a CCEA Occasional Paper

#### *Applicants should submit (as a single PDF):*

A cover letter, outlining their research and its relationship to [CCEA's Mission](#) and/or [Strategic Framework](#)

A research proposal, no more than 1,500 words (organized under four headings: Introduction, Proposed Methods, Expected Contributions, and Literature Cited)

A letter of reference from their supervising professor

A current resume or CV

Applications should be submitted no later than **DECEMBER 2, 2024** *by email only*. The successful student will be advised by **DECEMBER 20** of the status of their application.

**Applications should be submitted by email to:**
